<input type="checkbox"/> Premium Care + Protection	\$245–\$285 / month

## 1. Scope of Weekly Service

Weekly pool service includes surface skimming, brushing of steps and benches, professional vacuuming as required based on the selected service tier, emptying skimmer and pump baskets, professional water testing and chemical balancing, and a basic visual inspection of pool equipment. A digital service report will be sent after each visit.

## 2. Service Schedule

Service is performed weekly on a recurring schedule. Specific days and times are not guaranteed.

## 3. Pricing & Billing

Service is billed monthly in advance based on the selected tier. Chemicals are billed separately based on usage.

## 4. Green / Neglected Pools

Pools that are green, neglected, or unsafe require a separate recovery service prior to weekly maintenance.

## 5. Term & Cancellation

This agreement is month-to-month. Either party may cancel with 30 days written notice.
